AN ACT to amend Tennessee Code Annotated, Title 4 and

Adjustments to annual salary increases as provided for in this chapter that are tied to salary increases of state employees are not to be adjusted on the basis of any class compensation efforts, class compression efforts, or any other method of salary adjustments.

SECTION 2. Tennessee Code Annotated, Section 8-7-105, is amended by inserting as a new subsection (d) the following language:

(d) For purposes of this chapter, in computing annual salary increases that are tied to salary increases appropriated to state employees, it is the intention of the General Assembly that such increases are to be based solely on the specific percentage increase granted by the Appropriations Act to all general state employees.
